TERMINAL DISCLAIMER

TO THE COMMISSIONER FOR PATENTS:

The owners, William McKee Doane and Steven William Doane, of 100 percent interest in the instant application and the exclusive licensee, Absorbent Technologies, Inc., hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which terminal part would extend beyond October 7, 2022, the date 20 years from the October 7, 2002 filing date of U.S. Patent Application No. 10/265,500, of which this application is a division under 35 U.S.C. §120. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors, or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later expires: for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.
